\*COMMUNITY IMPACT AGENCY NOT RECEIVING FUNDING.

.....

Other services provided by the United Way but **not funded** by the **workplace giving campaigns**:

## Homeless Services Network

(386) 752-5604, ext. 113

Individuals experiencing homelessness or who are at risk of becoming homeless must call for an assessment in order to determine eligibility for assistance. Referrals to other resources for them will also be made during this call.

## 2-1-1

A free 24-hour information resource line that connects area residents to critical resources in the community when they need help the most.

## ReadingPals

An early childhood literacy initiative that pairs volunteer mentors with kindergarten students for one hour each week, helping strengthen their early literacy skills and support their social-emotional development.

# INSPIRE OUR COMMUNITY

Looking to make a difference?  
**UNITED** is the Way.

## Leadership Donors

Leadership Donors represent people from all walks of life who set the standard for compassion and who personally care about the needs of our community.

A couple's pledge may be combined toward leadership giving. Leadership donor pledges may be paid by payroll deduction, direct annual payment or by monthly or quarterly invoicing by the United Way office.

## OUR MISSION

United Way of Suwannee Valley unites individuals and resources to build a stronger, healthier, and more compassionate community.

Together with our community partners, we strive to make progress in supporting health, education, financial stability, and community resiliency—the building blocks for a good quality of life throughout Columbia, Hamilton, Lafayette, and Suwannee counties, and we aim to be a model of diversity and inclusion.

ANNUAL REPORT

## COMMUNITY INVESTMENT

All donations raised are placed into our Community Investment Fund. This funds our partner agencies which focus on our four impact areas: Healthy Community, Youth Opportunity, Financial Security, and Community Resiliency. Our partner agencies serve those with the greatest need in our community. When you donate, you're helping those who need it most.

These funds are allocated to our partner agencies by a group of community volunteers, our Community Investment Committee. This committee works hard to identify gaps in service and capacity.

### Workplace Giving:

Your company's participation in a Workplace Giving Campaign creates a partnership that benefits you and your company as well as the opportunity for your employees to give back by way of payroll deduction. Any donation, no matter the amount from each paycheck, helps to support the community in which you live and work. These donations achieve results that no one can accomplish individually. All donations go to the "Community Investment Fund."

### Individual Giving:

Donations may be made by way of check, cash, or credit card by visiting our website at [www.unitedwsv.org](http://www.unitedwsv.org). Click on the Donate Now button. You are welcome to stop by our office to pick up a donation card and mailing envelope. All donations are placed into our "Community Investment Fund."

### Corporate Champion Partnership

Show your company's commitment to giving back to the community. Become a United Way of Suwannee Valley Corporate Champion Partner. Choose your level to fit your company budget and visibility interests.
