

# DONATION REQUEST FORM

In a perfect world, we would all have plenty to eat, a roof over our heads and a safe place for our children while we are working. In a perfect world, there would be no need for a United Way, but we all know this is not a perfect world.

Throughout our 2025-2026 campaign year, we will host several signature events that bring people together to raise vital support for our Community Investment Fund. This fund benefits our 15 local partner agencies that deliver over 170 services to people throughout Columbia, Hamilton, Lafayette and Suwannee Counties. We are seeking local businesses to donate gift baskets or items that can be used for fundraising activities at one or more of our upcoming events. All contributions are tax deductible and help us continue mobilizing our community to action.

As a donor, your business will be recognized at the event, featured in our promotional social media posts and listed on our website. Your business will also be included in event newsletters and email marketing sent throughout our service area.

Whether you would like to support one event or several, your generosity helps make a real impact. From strengthening local resilience to advancing health, youth opportunity, and financial security, United Way is mobilizing communities to action so all can thrive. We invite you to be part of the impact and let us know which events you'd like to support. Please scan the QR code below to visit our website for more information on our local partner agencies.
